Skate Winnipeg is always looking for enthusiastic parents to get involved with our growing club. It takes an enormous number of people to assist in running a successful club. Please contact a Board member or email in to info@skatewinnipeg.ca. Any involvement to benefit the skaters, club and the community would be greatly appreciated. The Volunteer fee may be worked back throughout the season by way of 6 volunteer hours. The club will send you a cheque back at the end of our skating season March 2018.

Super Skate Competition Volunteer Requirement: For all Skate Winnipeg Families with one or more skaters registered in the Super Skate competition, a 2 hour Volunteer requirement for Super Skate will be assigned this year in an effort to distribute the work among all club members. Our Super Skate Competition is our major fundraiser for the season and this keeps our program costs at a lower level for all skaters.
